

## Change your license plate and change a child's life.

Go to [www.ctfo.org/kkslicenseplate](http://www.ctfo.org/kkslicenseplate) to learn about the 3 ways you can get your plate.

Change your license plate and change a child's life. It sounds simple and it is. Proceeds from the Keep Kids Safe license plate go to local child abuse prevention programs, helping to protect vulnerable children and strengthen families across Oregon.

Make a difference today by changing to a Keep Kids Safe (KKS) license plate using one of these three easy ways:

1. Apply using a Renewal Reminder <http://www.oregon.gov/ODOT/DMV/pages/vehicle/platechange.aspx#withrem>
2. Apply without Renewal Reminder <http://www.oregon.gov/ODOT/DMV/pages/vehicle/platechange.aspx#withoutre>
3. Request the KKS license plate when you purchase a new car.

Purchase your KKS license plate for \$30 today and then help Oregon's children by spreading the word. Let everyone you know about the Keep Kids Safe license plate!

### KKS License Plate Sales

**Our goal is to sell a minimum of 500 license plates by October 14, 2013.**

Help us move the dial on the sales meter forward!

Sales to date: 400

Sales needed to reach our goal: 750

For more information about Deschutes County's involvement in the Keep Kids Safe license plate project, contact Sarah Peterson of the Deschutes County Children & Families Commission (CFC): [sarah.peterson@deschutes.org](mailto:sarah.peterson@deschutes.org).
