

Community Assessment and Work Plan

INSTRUCTIONS: Please choose development strategies with your community. **Use a separate sheet for each strategy.** Follow this flow chart and discuss strengths, needs, action steps, responsible person(s) and timelines. Finally, make a plan to form a workgroup, invite members, and plan to a time to meet.

START

Prioritized Strategy

List of **STRENGTHS** related to Prioritized Strategy:
(What resources, structures and processes does your community have that can be built upon to implement this strategy?)

List of **NEEDS** Related to Prioritized Strategy:
(What does your community currently lack that will be necessary to implement this strategy?)

workgroup for our action plan and meet within 60 days:

By (date): _____
