

STRENGTHENING P-3 ALIGNMENT

Early Learning Council
January 28, 2016

What is P-3 Alignment?

- An integrated continuum of supports that connect children's early learning and K-3 experiences, including:
 - Programs that support successful transitions into kindergarten for children and families;
 - Activities designed to engage families in children's early learning and development; and
 - Opportunities for shared professional development among early learning providers and K-3 teachers.
