

# Early Learning Hubs

## Round One Updates

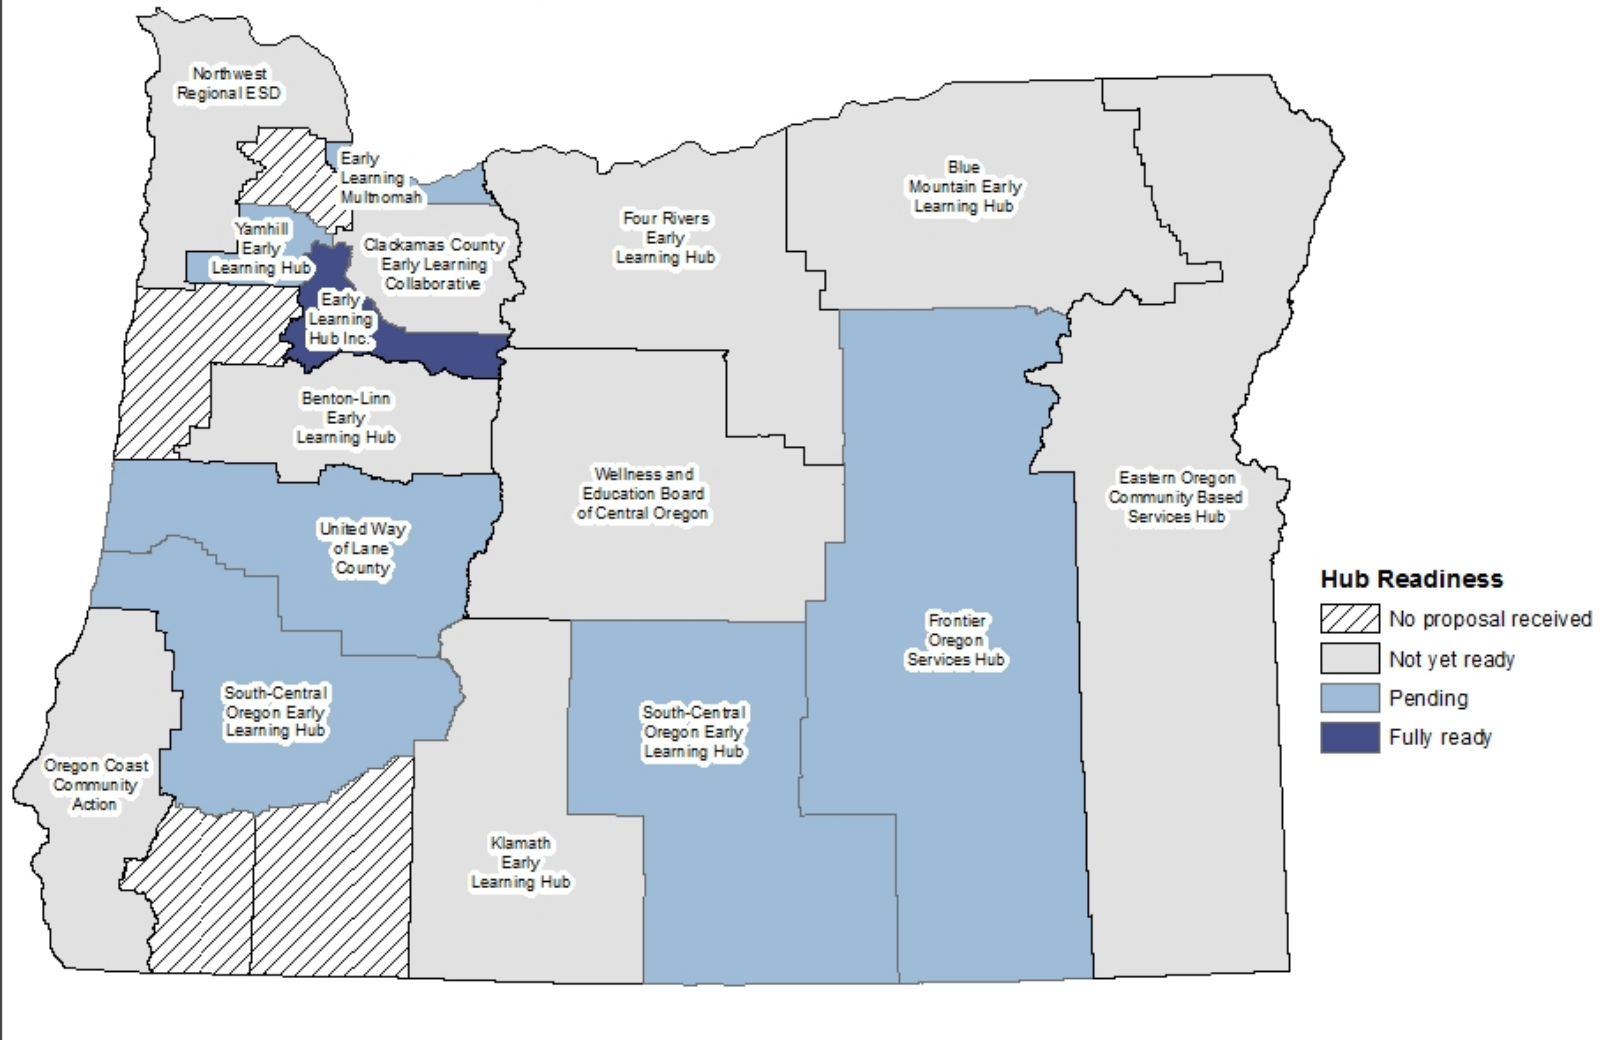

# Process Reminder

- RFA opened in August and closed in October.
- At November ELC mtg, Council decided to award six notices of intent to contract – going immediately to contract preparation with Early Learning Hub Inc, and detailed contract negotiations with five other applicants.
- Purpose of subsequent contract negotiations were to address outstanding concerns with implementation plans proposed.

# Contract Negotiations

- ELC staff and procurement staff met with each applicant team to review areas of concern, and ELC staff provided follow technical assistance to applicants.
- Supplemental information to address concerns was due on January 31.
- As a result of the series of meetings with applicants, the award team met to review supplemental information as demonstrated progress in addressing those concerns to make recommendations to you today.
- Overall significant movement in the right direction – with work to do as we move into implementation.
