Dial: 1 408 740 3766

Meeting ID: 256 195 643

Meeting goals:

Identify Long-term Outcomes for the two Early Learning System Goals:

Do the domains within each goal adequately represent the goal? Are any domains missing?

What does “healthy” mean with respect to healthy, stable, and attached families? Which goal does the domain of physical health belong to?

Are the listed outcomes “ultimate” outcomes? What outcomes are missing?

Do the listed outcomes represent single constructs? Are they specific enough?
