Update: Lead Testing in Child Care and Lead Rules

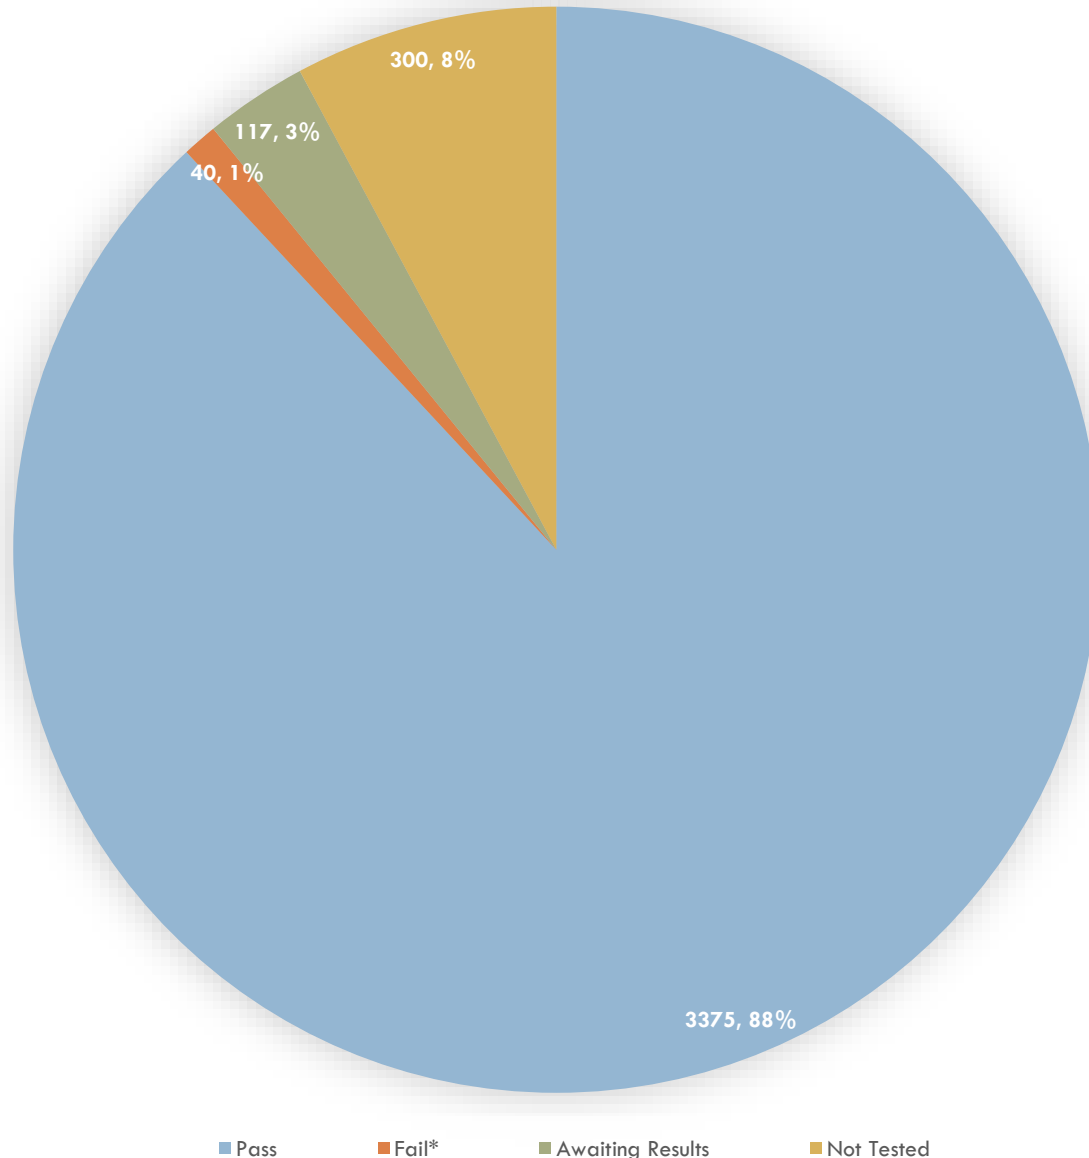

Early Learning Council Presentation

November 30, 2018

Dawn Taylor, Director of Child Care, Early Learning Division

Sara Mickelson, Chief of Staff, Early Learning Division

Progress on Lead Testing in Licensed Facilities

Of the 3,832 active facilities:

- 3,375 with all fixtures passing
- 40 with one or more fixtures failing
- 117 awaiting results
- 300 not tested

Technical Assistance and Next Steps

- Providing ongoing technical assistance with remaining providers
- Addressing linguistic barriers
- Exploring additional resources
 - EPA Grant with ODE
- Prepared to implement progressive enforcement as appropriate

Lead Rule

- Rule revision does not contain policy or practice change
- Consolidates into one section across all rule sets
- Updates reference to October 2018 3Ts from EPA
- Clarifies timing and applicability of rule
