OPK Review Committee Report

Applicant: Oregon Child Development Coalition Washington				
County: Washington, Multnomah, Marion, Polk, Jackson, Klamath, Malheur				
Overall application rank: 19				
Slots Requested: 901				
Report Date: May 15, 2020				
Application Scores: Extended Duration: 126; Extended Duration 39; P3: 43				
Proposed Priorities				
County	Tier 1	Tier 2	Tier 3	ELD Briefing Notes
Washington	236 Extended Duration 92 P3			Existing facilities, ready to serve extended duration. Facilities in hand. Ready to serve P3 in their OPK service area.
Marion	134 Extended Duration	78 Extended Duration 14 P3		Existing facilities; almost all classrooms ready, or needing construction expected to be complete by August; mostly ready to serve extended duration. Socialization ready. Ready to serve P3 in their OPK service area.
Multnomah			19 Extended Duration 16 P3	Facilities ready, but lacks service area coordination agreement, lacks evidence of community partnership which is basis for the grant. Facilities ready, but lacks service area coordination agreement, lacks evidence of community partnership which is basis for the grant.
Klamath	40 Extended Duration		40 Extended Duration 32 P3	Facilities ready but service area coordination agreements not in place for proposed new services; lacks evidence of community partnership in Chiloquin.

				Malin facilities in hand; proposed Malin services appears to conflict with submitted service area coordination agreement; Klamath Community College not part of submitted service area coordination agreement.
Jackson	60 Extended Duration 16 P3			Facilities needing minor improvements (underway). Facilities in hand. Ready to serve P3 in their OPK service area.
Malheur			32 P3	Facilities nearly ready; submitted agreement does not reference geographic boundaries; submitted map conflicts with MCCDC's federal service area, has not been agreed to by MCCDC. Additional information: do not have an agreement with MCCDC.
Polk			16 P3	Submitted map conflicts with Family Building Block's federal service area, has not been agreed to by FBB.

OPK Review Committee Recommendation:

The Review Committee values each locally-designed option and wants to see those valued in their communities.

Washington: Use this space to document Committee discussion related to:

- Rationale for modifying score – no score modification.
- Specific details which the Committee wants the public or the Early Learning System Director to be aware – no details.
- Any additional information requested and/or received from the applicant – none.
- Comments/Questions: None.
- Revisions/Objections: None.

Marion: Use this space to document Committee discussion related to:

- Rationale for modifying score – no score modification.
- Specific details which the Committee wants the public or the Early Learning System Director to be aware – no details.
- Any additional information requested and/or received from the applicant – none.
- Comments/Questions: None.
- Revisions/Objections: None.

Multnomah: Use this space to document Committee discussion related to:

- Rationale for modifying score – no score modification.

- Specific details which the Committee wants the public or the Early Learning System Director to be aware – no details.
- Any additional information requested and/or received from the applicant – none.
- Comments/Questions: None.
- Revisions/Objections: None.

Klamath: Use this space to document Committee discussion related to:

- Rationale for modifying score – no score modification.
- Specific details which the Committee wants the public or the Early Learning System Director to be aware – as a state, need to work with HS programs to ensure all children are served with accurate service area agreements in effect.
- Any additional information requested and/or received from the applicant – Yes, did not receive information that indicated a completed service area agreement.
- Comments/Questions: Request service area agreement is in place. Klamath Community College does not appear in service area agreement, Malin is included in new service area agreement.
- Revisions/Objections: None.

Jackson: Use this space to document Committee discussion related to:

- Rationale for modifying score – no score modification.
- Specific details which the Committee wants the public or the Early Learning System Director to be aware – very nice facility.
- Any additional information requested and/or received from the applicant – none.
- Comments/Questions: None.
- Revisions/Objections: None.

Malheur: Use this space to document Committee discussion related to:

- Rationale for modifying score – no score modification.
- Specific details which the Committee wants the public or the Early Learning System Director to be aware – No service area agreement with Malheur CDC.
- Any additional information requested and/or received from the applicant – none.
- Comments/Questions: New role of coordinated enrollment will hopefully increase communication to provide better services.
- Revisions/Objections: None.

Polk: Use this space to document Committee discussion related to:

- Rationale for modifying score – no score modification.
- Specific details which the Committee wants the public or the Early Learning System Director to be aware – no details.
- Any additional information requested and/or received from the applicant – none.
- Comments/Questions: None.
- Revisions/Objections: None.
