Oregon early childhood education and care providers,

HOW HAS COVID-19 IMPACTED YOU?

The Early Learning Division is asking for feedback on how COVID-19 has affected early childhood education and care providers.

Center and family-based owners, directors, teachers, assistants, and aides (whether currently employed or not), please share your experience.

All eligible providers who complete the survey will receive a $20 Amazon gift card!

If you are eligible, you will receive an email with a link to the survey. Look for an email from the Early Learning Division around February 22. Check your spam folders.
