

Oregon

Kate Brown, Governor

Early Learning Division

February 8, 2021

Dear Provider,

The Early Learning Division is partnering with Oregon Health & Science University (OHSU) to support child care providers in Oregon with a COVID-19 nurse hotline at **no cost**. The number, 1-833-647-8222, is now available seven days a week from 8 a.m. to 8 p.m.

Child care providers can access the toll-free hotline for assistance with:

- Symptoms or health issues that are concerning to them or staff
- Questions about excluding children and staff
- Steps to take if someone is positive for COVID-19

The hotline is a resource reserved for child care providers and staff. It is not intended for families. Language assistance is also available. See the attached flyer for details on this service.

Stay up to date by visiting the [Early Learning Division's COVID-19 webpage](#), where the latest information and FAQs are updated regularly.

Thank you for your continued work to serve children and families in Oregon.

The Early Learning Division
