

CHILD CARE AND DEVELOPMENT FUND

Let your voice be heard and share feedback on Oregon's State Plan

The Child Care and Development Fund (CCDF) is a federal grant from the U.S. Department of Health and Human Services to State, Territory, and Tribal grantees. CCDF supports Oregon's efforts to provide child care services for low-income families and enhance the quality of child care for all children.

The CCDF State Plan serves as the application for funds, details the State's response to federal requirements, and describes child care programs and services available to eligible families.
