Kate Brown, Governor

Early Learning Division

March 23, 2021

Dear Provider,

The Early Learning Division (ELD) recently developed [“COVID-19 Vaccine Resource for Child Care Providers,”](#) which provides an overview of information about vaccines.

The handout covers the following:

- Vaccine safety and effectiveness
- Ways to get the vaccine
- What to expect after receiving the vaccine
- Employment questions

The U.S. vaccine safety system ensures that all vaccines are as safe as possible. At this time, the Oregon Health Authority and the ELD do not require COVID-19 vaccinations for any group of people or workplace setting.

ELD posted Frequently Asked Questions about vaccines for providers on the [COVID-19 “For Providers” webpage](#) under the “vaccine” tab. You can also find more information on the [Oregon Health Authority COVID-19 vaccine website](#).

We appreciate your continued work to serve children and families in Oregon.

Thank you,

The Early Learning Division
