

Oregon

Kate Brown, Governor

Early Learning Division

May 10, 2021

Dear Provider,

Starting **June 21, 2021**, the Early Learning Division will resume in-person child care licensing visits. With vaccines more widely available and lower COVID-19 risk levels, it's important for the agency to make contact with program facilities. Conducting in-person visits are critical to regulatory needs and the health and safety of children and families.

As a reminder, licensing rules require the state to have access to your program. During business hours, Office of Child Care staff are legally permitted to enter the facility. If you are due for a license renewal, your licensing specialist will schedule a visit.

If you have questions, please contact your licensing specialist or email the Office of Child Care at ProviderContact@state.or.us.

We appreciate your continued efforts to support families and children in Oregon.

Thank you,

The Early Learning Division
