

Permission to Attend or Use a Contracted Service or Activity

This form is intended for use when a parent authorizes release of responsibility for their child from the child care facility into the care of a contracted service or activity. Parent is acknowledging that the service or activity is offered outside of the Office of Child Care license.

Facility Name: _____

Facility Address: _____

Name of Child(ren): _____

Service or Activity: _____

Date and Time: _____

Is this service or activity recurring? Y N If recurring, end date: _____

I understand that this service or activity is offered by an entity that is not affiliated with the child care facility licensed by the Office of Child Care and that the standards from the Rules for the Certification of Child Care Centers may not apply.

Specifically:

- Individuals conducting the activity may not meet Office of Child Care staff qualification requirements
- Staff- to- child ratios may not meet Office of Child Care requirements.
- Staff conducting the activity or service may not be enrolled in the Office of Child Care's Central Background Registry

I give my permission for my child(ren) to attend or use the service or activity offered by the service entity either within or outside of the child care facility.
