CF Infant Training Hours

Certified Family Child Care Providers who care for infants and toddlers may need additional training specific to infant and toddler care.

Required training must be completed prior to caring for more than two children under 24 months. This training is a one-time training requirement and does not need to be completed annually.

How does OCC determine the number of training hours specific to infant and toddler care?

Here are some examples:

If the class was presented like this:

**Title:** Creating Learning Environments that Rock!
**Duration:** 3 hours
**Age Group:** Infants/Toddlers, Preschoolers, School age

*Since this class covered 3 age groups, the number of hours would be divided by 3. Therefore, 1 hour is counted as training specific to Infant and toddler care.*

**Title:** Creating Learning Environments that Rock!
**Duration:** 3 hours
**Age Group:** Infants/Toddlers, Preschoolers

*Since this class covers 2 age groups, the hours would be divided by 2, therefore 1.5 hours are counted as specific to infant and toddler care.*

**Title:** Creating Learning Environments that Rock!
**Duration:** 3 hours
**Age Group:** Infants/Toddlers

*This class is 3 hours of training specific to infant and toddler care.*
