

# Preschool Promise Interest Survey FAQ

**1. Q: Is this the Preschool Promise grant application?**

A: No. This is a survey to help determine the readiness and interest of early learning and care providers in participating, or continuing to participate in the Preschool Promise program. The application will be released at a later date.

**2. Q: If I submit the survey, will I receive extra points in a future application?**

A: No. Your submission of the survey does not affect your potential future application in any way.

**3. Q: How long do I have to complete the survey?**

A: The survey will close on January 10, 2022. We encourage all early learning and care providers to complete the survey as soon as possible.

**4. Q: How long will the survey take to complete?**

A: The survey should take no more than ten minutes to complete. If you would like to view a PDF of the survey to review questions ahead of time, [click here](#).

**5. Q: Can I receive a paper copy of the survey and submit by mail?**

A: No, unless you have accessibility needs that require accommodation. Otherwise, all surveys will be collected through the survey platform.

**6. Q: Can I submit the survey in a different language?**

A: Responses can be submitted in English or Spanish. If you need assistance completing the survey in another language, please contact [ode.pspsurvey@ode.state.or.us](mailto:ode.pspsurvey@ode.state.or.us).

**7. Q: Why is the Early Learning Division (ELD) sending this survey?**

A: The ELD was asked by the Oregon legislature to demonstrate the interest, capacity and readiness for an expansion of Preschool Promise. Data collected from this survey will help the ELD prepare a legislative report on these topics for the upcoming legislative short session. Clear data related to a potential expansion of Preschool Promise will help legislators make informed decisions about investing more in Preschool Promise.

**8. Q: Will my information be kept anonymous?**

A: Yes. Any identifying information will not be a part of the legislative report. Contact information requested in the survey is for potential follow-up questions only.

**9. Q: I'm interested in Preschool Promise, but I don't know if my program is ready to apply in the near future. Should I still complete the survey?**

A: Yes! Sharing that you are not ready or would need additional support in order to be ready to apply for a Preschool Promise grant is just as beneficial as sharing that you are ready and interested.

**10. Q: Where can I learn more about Preschool Promise?**

A: Check out the [Early Learning Division website](#) for an overview of Preschool Promise and what it does to benefit providers, families and communities around Oregon!

**11. Q: I have a question about Preschool Promise and/or part of the survey. Who should I contact?**

A: Please reach out with any questions to [ode.pspsurvey@ode.state.or.us](mailto:ode.pspsurvey@ode.state.or.us).
