CALL FOR PARTICIPATION: KPI RULEMAKING ADVISORY COMMITTEE

If you are connected to the KPI program, please consider applying to join the Kindergarten Readiness Partnership & Innovation (KPI) Rulemaking Advisory Committee (RAC). A RAC is a group of community members who will help the Early Learning Division shape and implement rule language for KPI programming. The Early Learning Kindergarten Readiness Partnership & Innovation program invests in promising models for connecting early learning and K-3 education across the state, and promotes community and school partnerships that result in measurable increases in children's readiness for kindergarten.

Participants will be reimbursed for their time dedicated to this RAC and will positively impact partnerships across Oregon. **Applications are due Friday, February 4, 2022.**
