If you aren't sure what a mission statement, vision statement or set of values is or should be, that's OK! The terms are explained below. If you'd like to learn more about DELIC before participating in a Community Conversation, you can [read our flier](#) or [visit our website](#) to get up to speed.

#### What is a mission statement?

It explains why DELIC exists, the agency's purpose

After we get comments on the drafts from all our different communities, we will circle back and let you know how we included your feedback. Our goal is to have the MVV complete and ready to share by the end of July.
