

Central Background Registry Enrollment RULEMAKING ADVISORY COMMITTEE APPLICATION

Thank you for your interest in the Central Background Registry (CBR) Enrollment Rulemaking Advisory Committee (RAC)! The Early Learning Council must adopt rules to govern who must be enrolled in the Central Background Registry. This RAC will provide feedback on the proposed rule language and input on fiscal and equity effects of CBR enrollment requirements for adults working in recorded and subsidized child care programs to positively impact organizations across Oregon.

WHAT IS A RULES ADVISORY COMMITTEE?

A Rules Advisory Committee (RAC) is a group of internal and external individuals who come together to help implement rules in response to new or updated legislation. RACs are composed of state agency staff and members of groups affected by rulemaking.

For this RAC, we are seeking a diverse group of individuals interacting in programs across the state, such as:

- Directors of recorded preschool or school-age programs
- Regulated subsidy providers
- Parents or family members of children in these types of programs

Diversity of voice includes, but is not limited to: race, ethnicity, socioeconomic status, geographic location, and English language proficiency. We are also looking for individuals who represent culturally specific organizations (CSOs) that are providing or are interested in providing services to children and families through recorded programs or subsidized child care. Those chosen to participate in this RAC will be individuals who are able to represent a broad perspective of various populations served. Participants will be reimbursed for their time dedicated to this RAC.

To apply, complete the RAC application attached to this form and send it along in PDF form to the Child Care Initiatives Analyst via email to abby.strom@ode.oregon.gov OR mail copies of documents to Rules Advisory Committees C/O ELD, 700 Summer St NE Suite #350, Salem, OR 97301. For consideration, all applications should be received by the end of the day **Oct. 7, 2022**.

WHEN AND WHERE IS IT?

There will be between one and two meetings of the CBR Enrollment RAC during the course of two weeks in late October or early November 2022. One meeting will be required; we will only go beyond the one meeting if we have not developed the finalized rule recommendation. The meetings will be online. Scheduling will be finalized with the RAC participants.
