

School-age Center Alternate Outdoor Play Area Safety Plan

If the outdoor play area is not connected to, or in direct control of the school-age center, such as a public park, the center must have a written plan, approved by OCC that describes how the center will maintain the safety of the children in care. The written plan must include the following:

Distance the alternate outdoor play area is located from the center:
Detailed description of how the children will reach the alternate area:
Neighborhood and outdoor play area circumstances, hazards, and risks:
Availability of appropriate equipment with fall zones and protective surfacing:
Verification that parents have been made aware that their children will be using an alternate outside play area and its location:
Safeguards the center will be taking in order to ensure children are properly supervised while traveling to and using the space:
Nature of other activities and persons who may be sharing the space:
Availability of restroom facilities:
Ability to obtain assistance if needed when injury or illness occurs:
