

Healthy Families Oregon (HFO)

Services Provider opportunity for Coos and Curry Counties

PLEASE APPLY!

Applications are open January 3, 2023 through February 17, 2023

HFO is a free, voluntary home visiting program offering support and education to families that are expecting or parenting newborns. The home visiting services are offered for a minimum of 3 years.

ABOUT HFO

HFO is an intensive, early childhood home visiting program nationally accredited by [Healthy Families America](#) (HFA). The HFO program contributes to the economic prosperity of Oregon's communities by aligning with the HFA family outcomes.

❖ **Cultivate and strengthen nurturing parent-child relationships**

Increase positive parenting practices
Prevent and reduce child maltreatment

❖ **Promote healthy childhood growth and development**

Increase child health and safety
Improve child development and school readiness

❖ **Enhance family well-being by reducing risk and building protective factors**

Improve maternal health and well-being
Increase economic self-sufficiency
Prevent and reduce family violence
